Message from the Mayor

Fourth of July Parade Salutes Heroes

Hailey's iconic July 4th celebration is its parade and...
..... the show will still go on, with some differences!

The City of Hailey and The Chamber are honored to announce the details of our Independence Day celebration. Events will include a special Fourth of July Parade that won't be on Main Street, but will wander through some of Hailey's oldest neighborhoods and the night will end with a spectacular fireworks display.

The parade will kick off at noon and will feature local heroes, including health care workers and essential employees like grocery store clerks. But it will also include you! The public is invited to be part of this year's special parade.

Despite being the hotbed of the cononavirus at one point, our community has risen to the occasion and we have much to celebrate. Hailey and Blaine County would not have been able to "flatten the

curve" of the COVID-19 pandemic without your help. Our entire community rallied to fight the spread of the virus. And we would like to honor you with a special Fourth of July Parade. This year, instead of horses, floats and big crowds on Main Street, our parade will star local heroes of every age in decorated vehicles and bicycles.

"We live in the greatest place on earth," Hailey Mayor Martha Burke said. "We did what we had to do to. We did the rights things here. We care and appreciate one another and we want to honor and show gratitude for our community on this Fourth of July."

For more information or to register for the parade or make a donation for the fireworks, please got to HaileyIdaho.com or call 208-788-3484.

Water-wise News

Save Water, Save Money & Kudos!

It is irrigation season, so we've got some pertinent information for you!

City Irrigation Regulations

Rules for use of municipal water for irrigation of yards and landscaped areas:

- Irrigation is prohibited between the hours of 10:00 am and 6:00 pm;
- Even numbered street addresses may water on even numbered calendar days; and
- Odd numbered street addresses may water on odd numbered calendar days.

This does not apply to commercial nurseries or to the use of water conservation devices, such as drip or bubbler style irrigation systems that minimize water evaporation losses. Exceptions may also be made by the City under qualifying circumstances. See the Municipal Code, Section 13.08, Water Conservation for more information:

https://www.sterlingcodifiers.com/codebook/index.php?book_id=1005

Hailey's Newest Subdivision will be Water-wise and Green!

Congratulations to a job well done for the Sunbeam Subdivision developer and the staff at the City! The Sunbeam Subdivision, approved by the Hailey City Council on May 19, 2020, has committed to achieving National Green Building Standard 3 Star Certification. This program certifies that the development has implemented strategies that utilize land, water, energy and other resources wisely. The developer has committed to:

- Limiting turf on each lot to 40% or less of landscaped area;
- Installation of drought-tolerant landscape or hardscape outside of areas of turf;
- Providing a 9 acre naturalized public park;

- Requiring rough-in for roof-top solar systems as each house is constructed;
- Bike path connectivity to the surrounding neighborhoods; and
- A variety of lot sizes and configurations, including Cottage lots, to offer options to diverse income categories.

Water Smarty Program

The City's Water Smarty Program can help you save money, water and time! Eligible participants can get up to 50% rebate of the cost of replacing a portion, or all, of their lawn. Water Smarty also offers up to 50% rebates on irrigation controllers and soil moisture sensor kits. Homeowners and tenants, with owner permission, are eligible.

For more information go to:
<https://watersmarty.org/> or call Hailey Public Works Department at (208) 788-9830

Notice of Herbicide & Fertilization Application

The Hailey Public Works Department will conduct broadcast herbicide and fertilization applications in City Parks and along multiple City of Hailey rights of way during the month of June.

As a community we all do our parts to flatten the Covid curve!

We continue to rely on local government, businesses and individuals to work together towards recovery and revitalization in a responsible way.

All local jurisdictions are aligned with the state-wide Stay Healthy Order, with no independent or differing regulations

Visit coronavirus.idaho.gov to view the Stay Healthy Order and the Stages of Reopening, including protocols for businesses

Idaho public health officials are continuing to monitor the disease closely

Visit coronavirus.idaho.gov for information about the status of COVID-19 in Idaho

Visit South Central Public Health District at phd5.idaho.gov/coronavirus for regional information about COVID-19

Stay Informed. Stay Vigilant. Stay Positive!

Webb Landscape Delivers Topnotch Service in Hailey's Hop Porter Park

Webb Landscape – Park Adopter Since 2012

Webb Landscape adopted Hop Porter Park in 2012, the first year of Hailey's Adopt a Park Program. Hop Porter is one of Hailey's most popular parks, and also one of its four largest, at 4.3 acres.

Webb mows and trims the park weekly, and maintains the turf in top condition while meeting the guidelines of the Wood River Land Trust's Trout Friendly Lawns program. 100% of Webb's services at Hop Porter are donated, saving taxpayer dollars and providing a beautiful outdoor amenity at the same time.

Webb Landscape is now in its 8th year of caring for Hop Porter Park through Hailey's Adopt a Park Program.

The Webb Story

Doug Webb came to the Wood River Valley in the 1970s to ski. Like most locals, he never left. With his pickup and mower, Doug opened shop in 1972 as the one and only employee of Webb Landscape. Since then, Webb has grown into a diverse business including four retail locations, 60 acres of nursery, a dedicated maintenance and property services team and more than 160 employee owners.

Doug Webb

Quality, a spirit of teamwork and a passion for innovation have always been the cornerstones of the company. You can count on Webb to provide expert service for all your outdoor lifestyle needs knowing that the most innovative techniques are being used to care for your property.

As he approached retirement in 2001, Doug noted the dedication of his employees and put the business in their hands by making Webb an employee-owned company, motivating the whole team to actively participate in the continuous improvement of Webb. For customers, this means many more years of high-quality products, services and relationships at a better value than anywhere else.

A Full Range of Services, Expertly Delivered

- **Landscape Construction** – From large projects to small accent designs; rock forms to water features; and lighting to irrigation, there are no limits to Webb's capabilities when it comes to building unique outdoor environments.
- **Property Services** – Arbor care, garden and turf maintenance, irrigation, snow removal and other ongoing services are provided by Webb's Property Service team year-round, 24/7. Webb develops custom plans to fit specific client needs.
- **Living Stores** – Webb's Living Store locations offer a vibrant supply of annuals, perennials, shrubs and more. Step inside a Living Store to find unique home and garden merchandise that will complement your lifestyle. Living Stores are located in Ketchum at the nursery south of Bellevue, and in Twin Falls.
- **Nursery** – Located on Glendale Road south of Bellevue, this 60 acre nursery is home to a diverse selection of high-elevation trees, shrubs and flowers. The nursery also has 5 acres dedicated to a hand-picked selection of hardscape materials and masonry.

Best of the Valley Award Winner

Webb Landscape has been repeatedly voted Best of the Valley for Best Garden Center and Best Landscape Company. It's safe to say Webb Landscape is a bellwether of the Wood River Valley landscape industry. Although Webb's retail outlet in Hailey was closed a few years ago, their nurseries and retail outlets in Ketchum and on Glendale Road are open for service.

Clearwater Landscaping has committed another season to Keefer Park's excellence

Services Provided

Clearwater's dedicated **landscape construction** crews bring extensive experience, accreditation and teamwork to your project.

From paver patios, efficient irrigation systems, rock walls, colorful flower beds, and diverse tree and shrubs, intriguing and lasting value will be created for you on your property.

Clearwater's **property maintenance** specialist's dedication to maintaining your property to be healthy and look its best is a successful key ingredient

that keeps customers elated with Clearwater Landscaping. Clearwater's enthusiastic crew's attention to detail and helpful nature will exceed any expectation.

Knowledgeable, licensed **spray applicators** will utilize best management practices to ensure your landscape will be healthy and vibrant. Of course, organic fertilization programs are also available.

Irrigation repair technicians are Rain Bird Factory

Certified to troubleshoot and repair all aspects of your irrigation system. From low-flow drip irrigation to large commercial or agricultural systems, Clearwater has the experienced professionals available to quickly and properly repair your system.

Supported Community Organizations

The faces and support of Clearwater Landscaping has been and continues to shine throughout the valley—including The YMCA, The Drug Coalition, 4-H of the Wood River Valley, Blaine County School District, The Senior Connection, and The Wood River Land Trust, The Hunger Coalition, numerous youth programs, Ducks Unlimited.

Award Winning Design, Installation, and Service

Clearwater Story

Clearwater Landscaping strongly believes in giving back to our great community.

The company was founded in 1978 with the purpose of providing quality landscape service at an affordable price. From humble beginnings, Clearwater has advanced landscaping industry standards to provide intelligent, efficient and conservation based landscaping construction and maintenance services. The mission behind the success is to build long-term partnerships with loyal and prospective clients by supplying the highest quality landscape and irrigation services available in the industry today. To accomplish this, much pride is taken in being accessible and dependable, with an emphasis on detail in every aspect of the job.

Park adopter since 2012

Clearwater became the adopter of Keefer Park in 2012, the first year of Hailey's Adopt a Park Program. Keefer Park is a versatile park, having soccer fields, a baseball field, basketball courts, Frisbee golf, horseshoe pits, a pavilion and kids play structure.

We would like to thank all of our customers for their continued patronage.
