Message from the Mayor

It has been with gratitude and great pleasure that I have served as Mayor of Hailey these past four years.

A lasting legacy of this term is the new Arena and Skatepark which were completed by all of you, through a "barn-raising" of sorts, involving a bond and community donations. The diversity of uses on the Hailey Rodeo Park site accents to anyone entering our town an active and diverse community, coming together for a moment of recreation on this site. The site emphasizes how connected our community is, through time, through generations, through various interests and all our diversities. This

"Coming Together Through Time" theme was the focus of the work of a large group of volunteers who have collected historical stories, photos and artifacts and used them to create an exhibit design with the help of the Portico Group. The conceptual design was presented to the Hailey City Council in late November.

I urge you to consider assisting with the implementation of this exciting design, which will complete the site. Continued donations of stories, photos, film footage, memorabilia and other artifacts are still needed, as well as funding contributions for the project. The exhibits will be within the Visitor's Center still to be built, and in key locations on the property. They will add depth,

Photo by Casey McGehee resonance, and beauty to the site and will continue to tell the story of Hailey's community, growth, and prosperity well into the future.

*The Hailey City Council
and Mayor Rick Davis
invite the citizens of Hailey to a
Airport Town Hall Meeting
Thursday, December 8, 6:30 - 8:00 p.m.
Wood River High School
Distance Learning Lab*

New Year's Resolution: Apply for a Board or Commission post with Hailey

The City of Hailey is very grateful to its board and commission members who volunteer meeting time once per month to formulate policy and make recommendations to the Hailey Mayor and City Council. There are always openings on various boards and commissions. Please consider submitting a letter of interest for one of the specific boards for which there are openings now or within the new year:

- Hailey Tree Committee
- Hailey Planning and Zoning Commission
- Hailey Parks and Lands Board
- Hailey Arts Commission
- Hailey Marijuana Oversight Committee
- Blaine County Housing Authority
- Hailey Historic Preservation Commission

Letters of Interest should be submitted to:

Mayor, City of Hailey,
115 South Main Street,
Hailey, ID 83333.
