Message from the Mayor

Thank You for Giving

As we approach the winter holidays I would like to take a moment to recognize the many volunteer organizations and individuals, caregivers and support personnel who spend their days making life better for so many here in Hailey. Thank you, so much, for giving your time and talents to our city.

Department News

Snow Removal Regulations

Adherence to city regulations is critical to an effective snow removal effort for all Hailey citizens. A friendly reminder of those rules:

- Do not plow snow across any public street, alley or other city right-of-way.
- Do not plow snow onto any public street, public parking area, alley or sidewalk.
- Do not place snow within 25' of a fire hydrant on the street side of the hydrant.
- Do not place snow in such a way as to obstruct any traffic regulatory sign.
- Snow shoveled from a roof into any street, alley or sidewalk shall be removed at the owner's expense.
- Any snow piled that requires city removal in order to maintain public streets, alleys, or other ways, shall be removed at the owner's expense.
- During winter maintenance operations, vehicles, etc., must not be left in the right of way.

Any questions may be directed to the City Street Superintendent, Allan Stowell at 788-5965.

Community Involvement

Hailey Library Hosts Old-Fashioned Country Christmas

The Hailey Library will be hosting “An Old-Fashioned Country Christmas” program for families December 6 from 6:30 to 7:30 p.m. There will be stories, treats, crafts, and a “Special Guest!” Families are invited to bring canned food items to be shared with those in need in our community. The food drive will be ongoing at the library through the holiday season as well.

Snowmobiles on City Roads

Snowmobiles will not be allowed this year along the bike path through the city of Hailey. This land is owned by Idaho Department of Transportation, who has determined that they will no longer authorize this use.

The city has allowed snowmobiles on the city streets previously so they could be driven directly to the bike path. Because snowmobiles will no longer be allowed on the bike path, the city will be considering whether it is still appropriate to allow snowmobiles to drive on city streets.

Community Holiday Baskets

This program’s goal is to help families with their food and material needs this holiday season. The program has accepted 300 applications, and has more families on a waiting list. Community Holiday Baskets is in great need of people who can adopt a family. Anyone interested in adopting a family should call the Sawtooth Board of Realtors office at 726-7764 to sign up.

If you want to help, but feel you cannot adopt a family on your own, the Community Holiday Baskets program suggests finding a friend or two who are willing to share adoption of a family. You may also request a small family. The program is also in need of cash donations, to be used for food baskets, which are given to every family.

In addition, the Community Holiday Baskets program needs volunteers to help with sorting, assembly and distribution tasks.

If you are interested in adopting a family or helping the cause, contact Sara Gorham at 622-2700, ext. 16 or Janine Bear at 720-1254.
